

Fed up with more taxes?

Peter Bowman voted to make you pay *all* these
NEW taxes in order to lower income taxes.
 That's a tax shift - not tax reduction.

And *then* he voted to increase beverage
 and health care taxes by \$70 million!

If you believe higher taxes are hurting Maine's economy and forcing
 our kids to leave, *please*, take care of the problem at the source.
 Elect a better legislator.

Paid for as an independent expenditure by the Maine Prosperity PAC and not authorized by or in consultation with the candidate or his agents. We hold legislators accountable for the votes they cast and the bills they sponsor.

We're advocates for a strong Maine economy. We hold legislators accountable for achieving a tax burden, electrical energy costs and health care costs that are at or below the national average.
